'CALDBECK'

Together, we will go our way
Together, we have won the day
Together, we'll go holding hands
Together, we will make our plans
Together, we will fly so high
Together, with our friends on side
Together, we will start life new
Together, this is what we'll do.
Caldbeck! Full of all good things
Millhouse! Where the river sings
Hesket! Life is peaceful there
Haltcliff! Lots of open air
Fellside! Snow in winter time
Greenhead! Where the summers fine
Park End! Where the skies are blue
Caldbeck! Where there's lots to do.

Together, we will plough and sow
Together, we will learn and grow
Together, keep our pace of life
Together, we will have no strife
I love you, I know you love me
I want you, happy and carefree
So that's why we will have to teck
The road that leads us to Caldbeck
Caldbeck! Full of all good things
Millhouse! Where the river sings
Hesket! Life is peaceful there
Haltcliff! Lots of open air
Fellside! Snow in winter time
Greenhead! Where the summers fine
Park End! Where the skies are blue
Caldbeck! Where there's lots to do.
